

Dear Parents:

Welcome to the 2026-27 school year from the Garfield Booster Club! The Booster Club exists for the benefit of the children in our school community. The money raised by the Booster Club provides equipment and classroom enrichment materials for Garfield School, as well as helps send students on field trips and to special events. The Booster Club also hosts fun social gatherings over the course of the year. This year we want to focus on community building and service projects to the school.

Joining the Booster Club is a great way to get involved in the school and to meet other parents. **Everyone** is welcome to join the Booster Club. Our Booster Club meetings are held monthly. We are in a year of transition and looking for energetic new members with fresh ideas.

*****Please complete the form and return it to school with your child.*****

Sign me up for Booster Club!
